

YOUR GIFT TODAY HAS EVEN MORE IMPACT TOMORROW

... And It Will Count Twice as Much

Two major benefactors are encouraging others to donate with a \$300,000 challenge, hoping to inspire a commitment to our special places.

With the generous donations of Martha and Jeff Clark and Bobbie and Cy Sweet, your gift will count twice as much, and you can feel proud that contributing to the *Irreplaceable Assets* capital campaign will have a lasting impact on New Hampshire's history, quality of life and preservation needs.

The *Irreplaceable Assets* campaign allows the New Hampshire Preservation Alliance to work one-on-one with more communities, advance local and statewide policy initiatives and create programs to address critical preservation issues.

Your gift—enhanced by the generous matching effort of the Clarks and Sweets—makes a lasting impression on the preservation programs in our state and protects the distinct character of our communities. Please give today and help us achieve this challenge!

Gifts, no matter the size, will be counted toward our \$300,000 challenge goal and can be made as a multi-year pledge or outright gift utilizing the accompanying pledge form.

If you have questions about how you can help, please contact Jennifer Goodman at 603-224-2281 or jg@nhpreservation.org.
